

'THE LEGO CHURCH'

This is amazing! Someone certainly is talented and patient to create such a masterpiece..

A few quick facts:

How long to build it? *It was about a year and a half of planning, building and photographing.*

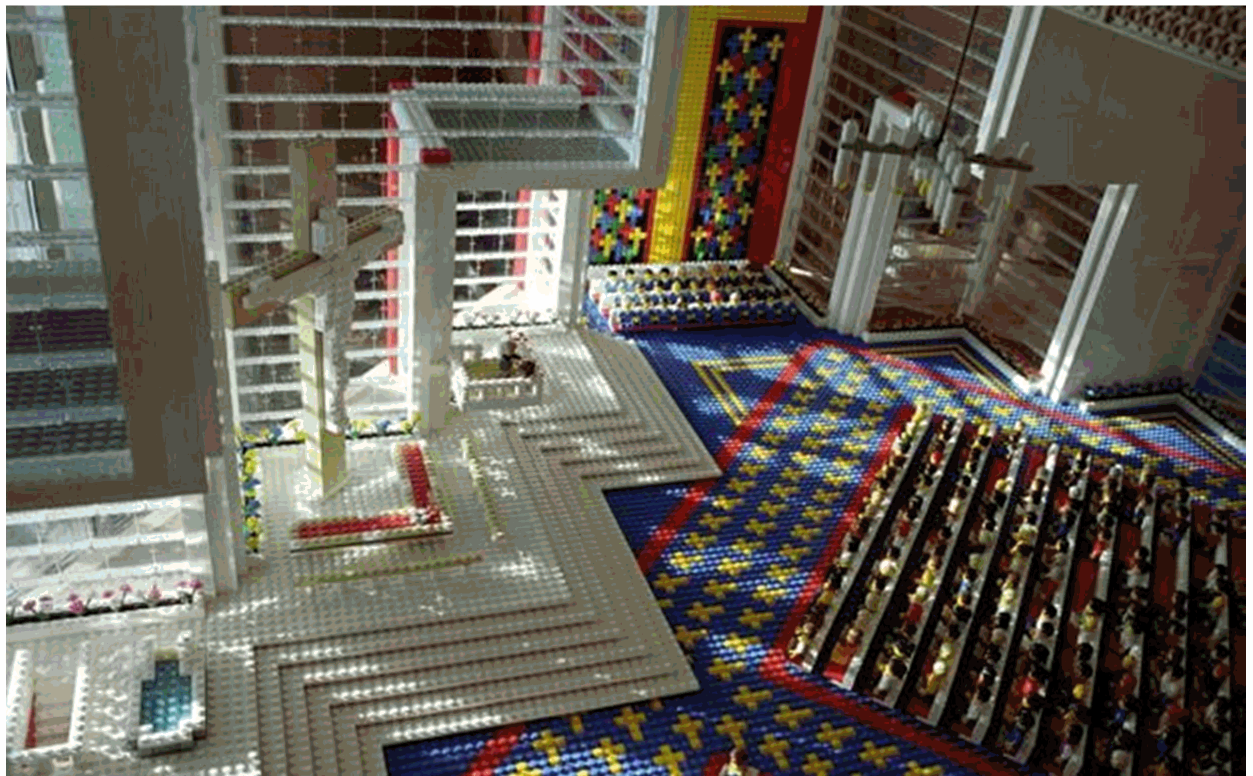

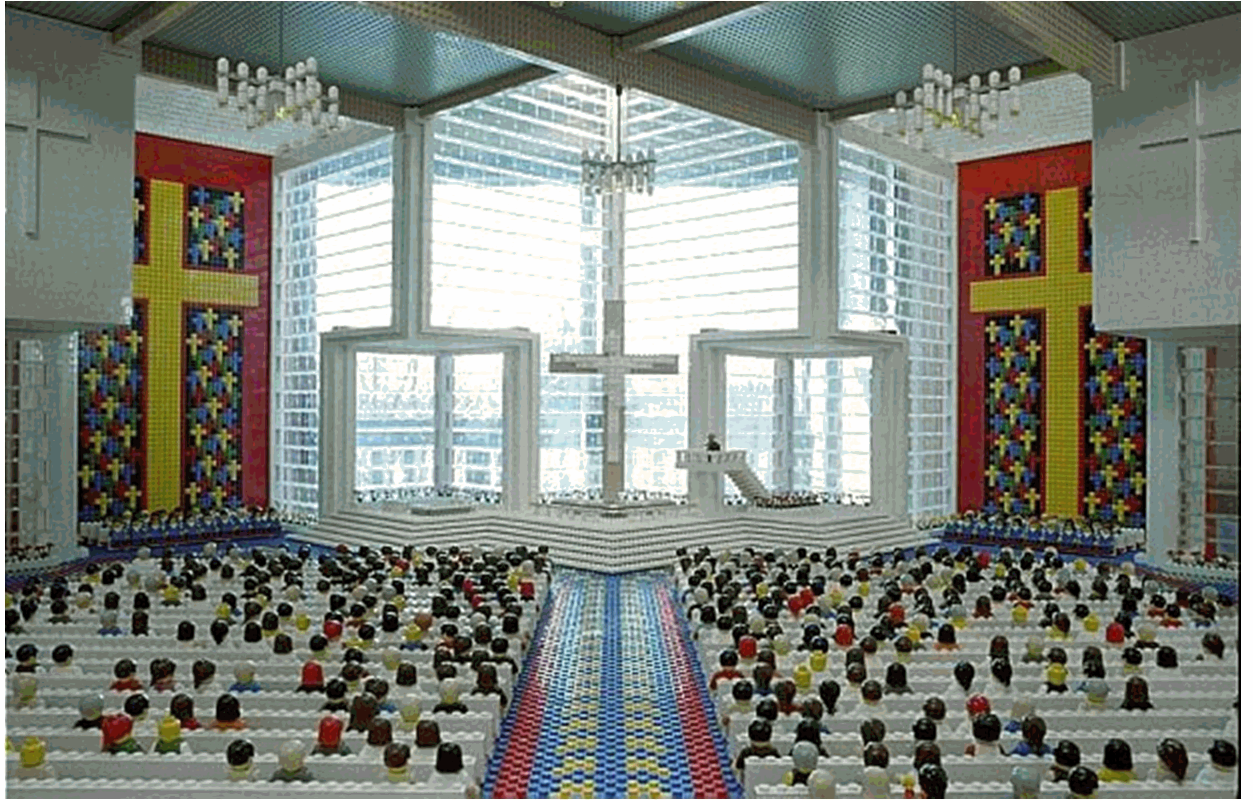

How many pieces of LEGO to build it? *More than 75,000?*

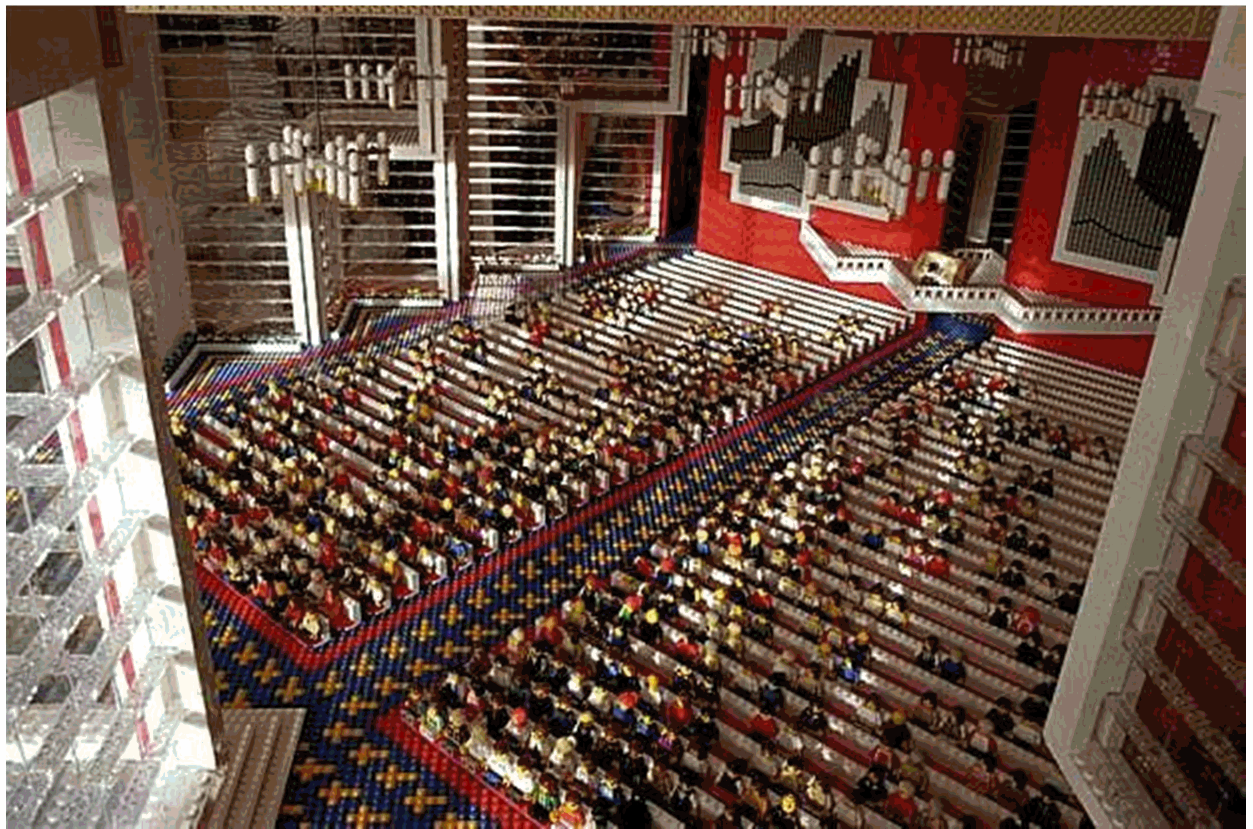

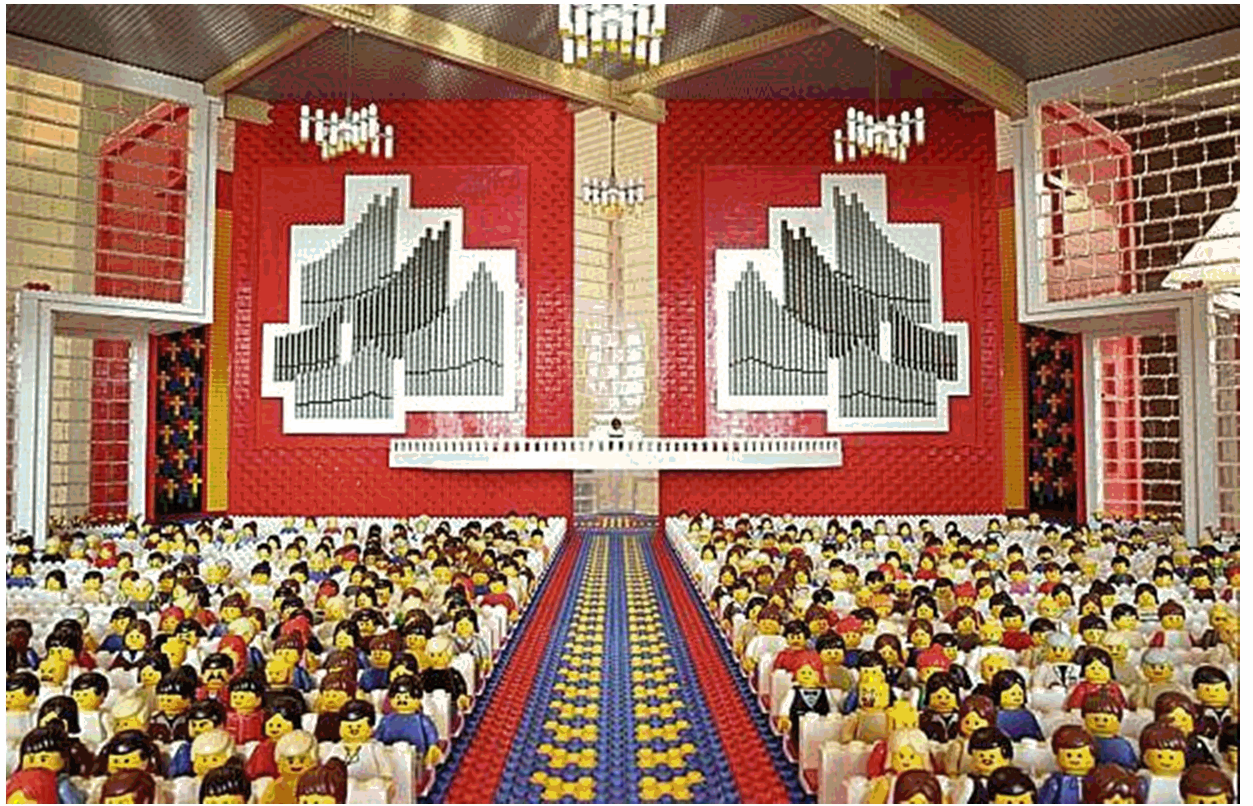

How big is it? *About 7 feet by 5 1/2 feet by 30 inches (2.2 m x 1.7 m x .76 m)*

How many LEGO people does it seat? *1,372*

How many windows? *3,976*

It features a balcony, a Narthex, stairs to the balcony, restrooms, coat rooms, several mosaics, a nave, a baptistery, an altar, a crucifix, a pulpit and an elaborate pipe organ.

All I can say is 'WOW!'

Have a blessed and wonderful day, today and everyday!

Please remember to dress for any occasion.....

wear a happy smile on your face. Others will smile with you.

God blesses us each day...it's up to us to notice
